

THE DODGE RAMINATOR, THE DODGE RAMMUNITION AND YOUR DEALERSHIP: TEAM UP FOR ONE TERRIFIC PROMOTION!

In today's tough economy, you need to get the maximum value for every dollar you spend. Here's a way to get big value---really big value---for your investment. Schedule the Raminator or Rammunition monster trucks to visit your dealership!

The Dodge Raminator (and its brother, the Dodge Rammunition) boasts a 565-cubic-inch super-charged Hemi engine and the roar from this beast has to be heard to be believed. With this incredible machine at your dealership, you're bound to have one of your most successful customer events ever.

Depending on your facilities, you can schedule a monster truck static display, or an action packed car crush. We even have a Raminator that can take people for a ride at the dealership! The trucks come to you in big, colorful tractor trailer transporters; leaving no doubt that something big is going on at your dealership!

There's even a trailer fully stocked with Dodge, Raminator, and Rammunition merchandise that can come along to your event. A driver will be with the truck to sign autographs.
